NH Department of Transportation
I-93 Project Update

Thursday, August 6th from 6:00-7:30pm
Community Development Department (3 N. Lowell Rd)

Do you have questions about the I-93, Route 111 and Route 111A construction happening in Windham?
Do you want more information about the Park & Ride?
Do you need someone to show you on a map just where all the new roads, bridges and ramps are going?

If so, this informal project update is for you!
Come and listen to NHDOT project personnel explain what work is underway in Town and find out what new things are coming.

For more information, visit www.rebuildingi93.com

Light Refreshments will be provided
