#### **Highclere Open Space Subdivision**

##### **(Lot 11-A-1400/1418) Pilgrim Road, Chestnut Street, Hawthorne Road**

Karl Dubay and Bob Pliskin discussed proposed trail network on Highclere subdivision  
Plan is to connect Chestnut St., new subdivision rd., Pilgrim Rd. and MeetingHouse Rd. with a trail network (shown on presented map) through the open space. Trails would be for public, non-motorized use. Mr. Pliskin would like to see medallions used for blazing (perhaps a scout project).

#### **Wood Meadow Estates, Major Open Space Subdivision,**

##### **(Lot 25-R-6000,6250,6260, 7000, 7050,8002, 8005, 8010, and 9000) off Settlers Ridge & Glendenin Roads**

Map given to trails committee with proposed, existing and additional proposed trails.

Comments:

Can proposed trail be pulled away from lot 25-R-814+815 and be located along existing Spear Hill RD. to existing ROW off Settlers Ridge to meet with proposed trail above.

Can a trail come off the cul-de-sac of Glendenin Rd. To join existing trail.

All trails to be non-motorized.

Can proposed and additional proposed trails (as shown on map) be constructed by applicant.
