### Conservation Commission Site Walk August 15, 2016 Approved Minutes

Foster's Pond site walk,

Attendees: Brian McFarland, Dave Curto, Wayne Morris, Jim Finn, Alex Jensen

The area at Foster's pond to be improved by replacing a deteriorated boardwalk was examined by the Commission on August 15, 2016. The proposed boardwalk is longer than the current structure which will extend beyond the wet area and will allow a drier, safer crossing. The commission is satisfied with this Eagle Scout project.
