

Windham Depot Advisory Committee

June 6, 2008

Minutes

Friday June 6, 2008; 5:15 pm, At the C16

Meeting came to order at 5:20

Attendance: Mark Samsel, Dick Forde, John Mangan, Wayne Morris, Karl Dubey, Clif Riendeau, Rick Riendeau

New Business:

- *Eagle Scout Project Review – Cliff Riendeau will present his project proposal. Cliff presented his project proposal to refinish the C16 floor. He will direct his father in using a drum sander and other hand sanders to remove old finish. Mr. Riendeau has experience with drum sanders and finishing floors. When the sanding is complete, members of the WDAC will have an opportunity to review before continuing. At that time will decide if a stain is necessary. 4 – 5 coats of oil based polyurethane will be applied.*
- *Motion by Dick and second by John to accept the proposal and for Mark to write a letter of acceptance.*
- *Cliff will present plan to Selectmen over the next month.*

Old Business:

- *Recognition Plaques – Dick reminded the WDAC that we need to address the status of the plaques. Topic will be on the next agenda, after Engineering Firm interviews.*

Next Meeting: June 20, 2008, 12:30, Bartley House
