

Land Use Minutes

APPROVED July 30, 2014

A. letizio, P. Gosselin, J. Desilets, and M. Oldenburg travelled to The Market Place in Lynnfield, Ma from 11 A.M. to 2 P. M. We toured the facilities to observe the many stores, restaurants/etc. to obtain a feel for the excellent development by Lynnfield, Ma.

We took a few pictures, and talked with the Marketplace welcome person about the many activities that occur during the year. More evaluation will be required to better understand the many facets the town had to consider for this impressive development.
