

## Windham Depot Advisory Committee

---

April 9, 2005

### *Minutes*

***Wednesday, March 16, 2005; 4:00 pm, Fire Department Training Room  
Combined meeting with Historic District Commission***

***Attendance:*** John Mangan, Jon Normington, Bruce Bretton, Pat Schnea, Wayne Morris, Mark Samsel, Jack McCarthy

Meeting called to order 4:05 pm

# Accepted Minutes of March 1, 2005 meeting

### ***Old Business:***

# Status from State

- Dave indicated our request is now in the state internal process of property release review

# Town Website update

- Reviewed updated Depot Advisory Committee Home Page, Historic District Home page

# Timeline of Depot events

- Jon presented work to date and will continue this effort

# Salt Shed information

- DOT/DES/EPA "Pilot Community" Study Committee status

- # Jack indicated that the March 14 meeting workshop was informative, feedback is that Windham is ahead of other towns with current policies and procedures.

- EPA "Storm Water Compliance Plan" Audit (March 8 meeting status)

- # Jack indicated that the EPA review meeting at the Depot also went well; Jack described in more detail the town's relation to this plan.

- # Motion was made and passed unanimously by the Committee to recommend that the Highway Department look to relocate the salt sheds. Bruce will bring to the Selectmen the recommendation to start the process of bringing in other Town Committees into the discussion and planning process.

***Next meeting: Tuesday April 12, 2005, Town Administrative office***
