

Historic District/Heritage Commission

Workshop March 14, 2007

Present: Nancy Kopec; Carol Pynn; Beth Talbot

- Review minutes February 21, 2007
Motion to accept as written by N.Kopec; second by B. Talbot
- **Workshop business:** This workshop was held to begin reorganization of the Historic Resource Lists. Some lots on the Architectural Sites list have been broken into smaller lots and some of the cellar foundations have been filled in. It's important to document exactly where these cellars were located and to list the new tax map numbers. The Historic Buildings list needs to be updated with the new owners listed. A few houses have been demolished and these need to be added to the Sites List. The suggestion was made to add addresses to the list.
- Some of the tax map numbers (3) correspond to conservation land. This should also be noted.
- Plot maps: Beth Talbot will talk to Rex Norman about getting a set for the Commission to use for this project.

Other business:

- Form to be filled out for membership in the National Preservation Alliance. C.Pynn will give to David Sullivan.
- Discussion regarding State Legislation regarding stone wall preservation to be included in new Master Plans. (HB 42). This needs to be discussed with the Planning Board.
- The next meeting of the Commission will be April 11 at 4pm at the Planning Building.

There being no further business, the meeting was adjourned at 5:30

Respectfully submitted in draft form,
Carol Pynn
Chair, Historic District/Heritage Commission
