Al Letizio, Jr. from the School Board made a presentation regarding the upcoming vote for the High School options.

**Minutes:** January 18th minutes approved 7-0. 1 abstained. Only change to specify donation obtained by Dennis Senibaldi was for Tokanel field.

### **Report of Committees:**

Master plan is proceeding as planned and Cheryl and committee will be meeting with Jill Robinson on Friday.

### **Report of Coordinator:**

Grant for Wonderland Park is due tomorrow and all set to go. It is a matching grant and will only match the \$5k we have allotted for the project.

Upcoming activities – Mom and son pizza night is sold out. Daddy Daughter dance is 3/10. Easter Egg Hunt is 3/31.

### **Old Business:**

Soccer does not want Baseball to use the lower fields for the Fest-a-ball “Jumpy Houses”. With that input the committee further discussed that it was a courtesy that we asked soccer’s input but it was the committees final decision.

Motion made by Beth Lippold – To allow Baseball to utilize the portion of the lower left side of the fields, close to the building, for the “Jumpy Houses” for the fest –a-ball, with the stipulation that with regard to weather related changes that the “jumpy Houses” may be moved to the upper fields. Seconded by Barry G. 7-0

Steve Krikorian from Lacrosse asked that the following issues/requests be discussed:

- \* Have stone dust put down by player benches
- \* Storage shed be moved from Nashua road to Searles and a new larger shed be built by potential Eagle Scout for project.
- \* Magnetized scoreboard for Nashua fields.

The Committee would discuss later plans for the above but were not in favor of the new shed being built by an Eagle Scout. Cheryl would follow up with lacrosse.

In regards to the Gage Lands the committee discussed the use of those lands for further field development for High School athletic fields.

Motion made by Barry Goldman – the Recreation Committee supports the development of a portion of the gage lands for Recreational use development by the High School committee. The Recreation Committee will have Ralph Valentine approach Conservation Committee to further discuss the development of the lands. 7-0

Windham will celebrate Earth Day April 14<sup>th</sup> + 15<sup>th</sup>. Cheryl is coordinating local civics groups to clean up town parks and areas.

Meeting Adjourned 9:45pm 7-0
