#### Overview:

On Friday, February 6th, residents of west Windham held an informational meeting to discuss the Kinder Morgan Northeast Energy Direct (NED) that is proposed to be built adjacent to the PSNH power line right of way through Pelham, Windham, Hudson and 13 other towns.

The presenters discussed the regional need for energy as well as the impacts of the proposed pipeline on individuals, communities and the regional economy. The meeting was videoed and captured in three parts. The following list details the information presented and the time points, within the individual videos.
