

## Trails Committee site walk minutes

Date: June 3, 2017

Time: 9:00 AM

Members present: Wayne Morris, Norm Babineau, Dace Curto

Others attending: Karl Dubay, developers engineer, Paul Carideo erosion control specialist for The Dubay Group

Public: Bill Hutchins, Emily Hutchins, J McGimpsey, unnamed abutter.

Committee met at Chestnut Rd. cul de sac. Walked proposed trail network to HighClere subdivision rd., and to Pilgrim Rd. Discussed trail alignment, possible boardwalks/bridges in various locations. It was understood that developer will be responsible for construction of trail and crossings of wet area where needed. Also spent time explaining buffers where trail runs parallel to abutter's driveway. Will start an email chain of those present to report on progress.

These minutes are in draft form, recorded by Wayne Morris
