

Windham Market Square Overlay District

- **How can a new zoning Overlay District pave the way for a Lifestyle Center in Windham?**
- **Where might it be located and will it provide a walk-able downtown feel?**
- **How might it contribute to municipal tax revenue?**

The **Windham Planning Board** is studying the concept of a new overlay district.

Come to the Town Hall on **Wednesday September 9th** at 7pm for a public hearing to learn, ask questions and voice your opinion on how to preserve "Old Values" while clearing the path for "New Horizons".
