

WINDHAM RAIL TRAIL INFORMATION

This 4.1 mile section of the historic Manchester and Lawrence Line rail trail has been refurbished to a level, paved surface. Pedestrian and bicycle traffic is welcomed along the route, which winds through farm pasture, apple orchards, wetlands and protected areas. In the future, when fully completed, the M&L line will offer 26 miles of surfaced trail extending from Salem to Concord, NH. Visit www.windhamrailtrail.org for more information.

Directions/Parking: Exit 3 off I-93. Left (west) onto Route 111. At the 3rd set of lights, take a right onto North Lowell Road. Continue north for approximately 3 miles. Immediately after Taylor's Barn, bear right onto Depot Road. 150+/- yards up on the right is the Depot parking area, and the trail head can be found between the depot and freight buildings.
