

Town Common Beautification Committee Meeting – DRAFT
Community Development Dept, 3 N. Lowell Rd, Windham, NH
January 10, 2024

Present: Peter Griffin, Frank Farmer, Siri Wilbur, Kathleen DiFruscia, Mark Samsel (Selectmen Liaison), Cheryl Haas (Parks and Recreation Director.)

Peter Griffin called the meeting to order at 1:10pm.

Siri shared the three quotes received from well companies that would be able to calculate the gallons per minute of the well.

- Young \$800
- Policy \$650
- Smith \$500

Siri made a motion to use Smith Pump out of Hooksett, NH for \$500; seconded by Kathleen DiFruscia, the vote passed unanimously. Cheryl will contact Steve Smith to set it up and to request the necessary paperwork.

The Committee discussed irrigation; would there be spicketts or irrigation for the plantings (not the grass), and for only using water when it was needed. It was decided that Siri would mark up a plan with suggested locations for spicketts and irrigation for the next meeting. This plan will be distributed before the meeting so everyone has a chance to review it.

Cheryl will contact DEM Electric to follow up with him regarding electricity. Kathleen is continuing to look into solar lighting.

The next meeting is January 17, 2024 at 1pm.

The meeting adjourned at 1:40pm.

Respectfully Submitted

Cheryl Haas
Parks and Recreation Director
