

Conservation Commission

Draft Minutes

Site Walks

June 20, 2022

2:00 pm @ Ashton Park Rd & Fosters Pond

Site Walk 6/20/22 at 2 PM: Ashton Park:

-Discussion regarding the secondary dam built by the beavers after the beaver deceiver was installed. Discussion regarding goals of keeping the wildlife in the area while keeping the road bed free of water at Castle Hill Rd. Discussion on need for a designated conservation lands monitor.

Motion made by Kara Feldberg to raise the flow device to over the dam and monitor the road and also monitor the beaver deceiver site. Seconded by Mike Specian. All in favor at 3 PM.

Site Walk 6/20/22 at 3 PM: Foster's Pond:

-Discussion regarding signage on 2 locations on Devlin easement where secondary trails were made when the path flooded - trail markers should be moved. Signage needed regarding "Dusk to Dawn" at Foster's Pond. Discussion on leash law for dogs and do we need to update the bylaws. Discussion on the current level of the water.

Motion made by Wayne Morris to raise the flow device by 3 inches. Seconded by Mike Specian. All in favor at 3:45 PM. Meeting adjourned at 3:45 PM.
