**Windham Economic Development Committee  
Promoting Windham Sub-Committee**

Minutes:

The sub-committee met on Thursday, September 10, 2020 at 8 AM.

In attendance: Mitchel Jacoby, Nick Shea, Rex Norman, and Gabe Toubia

We discussed the survey questions, mission objective of the subcommittee, and business listing. Mr. Jacoby suggested that he would take the list to clean up for wording to remove bias in the language and make it neutral. Mr. Shea suggested he would write up the mission or objective statement for the subcommittee. Mr. Norman will update the list.

The goal of the subcommittee is to have the survey completed by the end of November, before the Thanksgiving holiday. The few weeks in December between Thanksgiving and Christmas will provide for additional time if needed.
