

## What is the Source of Windham's Tax Revenues?

In Windham, 92.1% of the tax revenue collected in 2012 came from Residential Property Tax payers while only 7.9% came from Non-Residential/Commercial Property taxpayers. Specifically, this is the breakout:

Tax Revenue collected from Windham Residents:	\$43,365,365
Tax Revenue collected from Windham Commercial:	<u>\$ 3,719,722</u>
TOTAL:	<b>\$47,085,087</b>

Windham residents bear the burden of 92% of the cost of operations in our town while residents of towns like Andover and Bedford pay a significantly lower amount of taxes because their businesses pick up the difference. The WEDC is committed to lowering the residential tax burden while maintaining Windham's high quality of life.

The Windham Economic Development Committee - dedicated to enhancing the vitality of the local economy to balance the tax base for all Windham residents.
