To address the ongoing drought conditions, the Town of Windham in accordance with policy #WIN 2:00:27:16, “Regulation Restricting Outdoor Lawn Watering”, will implement the following water restriction to help conserve our water resources:

- 2) Outdoor lawn watering by even numbered addresses is allowed on even numbered days.**
- 3) Outdoor lawn watering shall not occur between the hours of 8AM and 8PM.**

The Town of Windham appreciates your effort and cooperation with this **Mandatory Water Use Restriction** in an effort to sustain our drinking water supply during these dry conditions. If applicable, it is important to reprogram your sprinkler system to the restriction set forth above. Please monitor www.WindhamNH.gov and the Windham Independent for further guidance and updates.

** Per Section VII, the following are exempt: grass playing turf of a recreational field; grass playing surfaces of a golf course, and; grass agricultural fields, including fields used for the production of sod.*
