

TOWN OF WINDHAM, NEW HAMPSHIRE

OFFICE OF THE TOWN CLERK

3 NORTH LOWELL ROAD, WINDHAM NH 03087

March 10, 2021

On March 9, 2021, an error was discovered on the town ballot during the end of night reconciliation. The error was the term limit for the race of Zoning Board of Adjustment. The ballot stated to vote for 2 candidates for 2 years, however the term limit should have been for 3 years. In all public platforms available, the candidacy declaration forms, and candidates' signup sheets, the term limit had been advertised and intended for 3 years.

After legal opinion, and conferring with the Secretary of State's office, the candidates that won in this race, Pamela Skinner and Michelle Stith shall be considered to have been elected for the 3 year term and shall be sworn in as such. This error is not significant enough to cause the election to be "overturned".

We deeply regret this unprecedeted error, and will add even more additional steps and safeguards to the ballot creation process. If you have any questions, please don't hesitate to contact the office.

Respectfully,

Nicole Bottai
Town Clerk
